The small time I knew you, you were super awesome and made me smile for sure. I won’t forget that! You’re so rad and awesome and will definitely make me feel not so nerdy for all the nerd stuff and tattoos. You are someone I am glad to have met you. Always.

Je garde un bon souvenir de toi ,Laurent .Je me rappelle très bien de ce si gentil et si discret garçon. J ai le souvenir de repas partagés au chemin vert ,dans votre appartement et de l'accueil chaleureux que j ' y recevais. Au revoir jeune ami . Veille sur les tiens ,avec ton sourire que tu as toujours su partager.

Deepest condolences to the whole family. Heartbroken to hear the news. I will always have you Dave in my heart and mind. You made everything more enjoyable. Playing a game of dominos or just sharing a slice of pizza was always a blast with you. I will miss you. Au revoir mon ami. Erik "Sweedie Mex" Perez

Sorry to hear about Dave’s passing. I have many fond memories from our jr high and high school years when we all used to hang out. His family was always so fun to be around. I even learned some naughty French words from him and his little brother :-) My sincerest condolences to the family.❤■
