

## David Bruce Haight, Jr.

*Aug. 20, 1932 ~ Sept. 21, 2020*

---

Bro & Sis Kuhnen We extend our deepest sympathies and heartfelt thoughts in this time of sorrow to your family. We'd like to share this message from Elder Wirthlin: One of the blessings of the gospel is the knowledge that when the curtain of death signals the end of our mortal lives, life will continue on the other side of the veil. There we will be given new opportunities. Not even death can take from us the eternal blessings promised by a loving Heavenly Father. Take care.

David, your siblings and Haight family, my condolences to you On the loss of your father. He made my growing up years in, and whenever I'd come back to visit to, THE Menlo Park ward very enjoyable. He always made me smile. Phil Wolfgramm

Bruce was my best friend all through school. I missed him during his absence in 1948 and 1949 and was overjoyed to have him back for that last year. A warmer and friendlier person I've never known. He was always happy and friendly. It was great to see him at the 50th reunion. MY deepest condolences go to his family. I understand your loss. It's the world's loss too.

Wishing my deepest condolences to the Haight family!! Bishop Bruce Haight was a beloved member of the community where I grew up in Menlo Park. He was such a blessing to be around in my early years and even when I left the area, his life lessons of love, friendship and obedience to God have never left me. Even now as I serve as a Bishop, I draw back to those memories of him and his sweet wife Angela for strength. I'm happy to know with a surety that he is with her again and content to be reunited with her. My love to his posterity especially those whom I know. God be with you till we meet again Bishop Haight!!

I was sorry to hear of Bruce's passing. I offer the entire Haight family my deepest sympathies. Bruce and Angela were the closest thing I had to parents in the SF Bay Area. (I doubt I was the only one who felt this way.) The spark in Angela's eye and Bruce's calm and knowing smile always made me feel at home. They were very close to my hearts and will long be fondly remembered.

My heartfelt condolences to the Haight family. I always enjoyed David's warm cheerful countenance when Blaine and I saw him at various Huntsman family gatherings. Here is a passage that gave me comfort when I lost Blaine. From the great Anne Lamott.... "You will lose someone you can't live without, and your heart will be badly broken, and the bad news is that you never completely get over the loss of your beloved. But this is also the good news. They live forever in your broken heart that doesn't seal back up. And you come through. It's like having a broken leg that never heals perfectly—that still hurts when the weather gets cold, but you learn to dance with the limp."

My condolences and deepest sympathy to all family and friends.

What a dear friend and ever faithful leader and member of the Church of Jesus Christ of Latter-Day-Saints. In one sense, we are sad to learn of Bruce's passing. In the other sense we are happy for him to rejoin Angela, his parents and the many friends who were a part of his life. He left a great example to all of us who knew him. With kind regards to his children and posterity for whom he served and taught so faithfully. He truly lived a full and purposeful life and, will continue to do so in the life beyond.
