Dad, I have known you all my life and it saddens me to see you move onto other things after being here for so many years. You are going to be sorely missed. Thank you for all the good times we had together like camping, vacations, and BBQ's up in Little Cottonwood Canyon. We had some really fun times traveling all over the place in the summers. Rest in peace old man until I see you again. I will always love and miss you. Here's to coconut cream pies, sandies shortbread cookies, Ice cream and chocolate clusters.

Sue Ann our thoughts and prayers are with you, the girls and the guys. Even when we know it's coming it's never easy. Peace Be With You Always, Julie&Louis

I am truly sorry for your loss. I know you loved him until the end. Blessed Be.

I am so sorry that you are having to bear the grief of losing your soul mate. The next weeks and months will be difficult and you should freely lean on friends and family to help. Your life will never be the same, but you will carry on, step by step. And down the road, you will look back and be proud of how you've managed without him. And David will be proud of you, too.
