I also met Dave at Holladay Lions Rec Center. He attended my muscle class. He always brought joy to the class. His positive attitude, kindness and love for life will be missed.

Beloved David, may you rest in peace. I am truly sorry to hear about the loss of your father. You have my deepest sympathy and unwavering support. Wishing you peace, comfort, courage, and lots of love at this time of sorrow. My heart goes out to you at this difficult time. Having known David since I was 14 getting my first haircut from him. What a talented man you were. Being your companion for 17 yrs., I have so many wonderful memories of you and me. Your amazing family, Scott, Jennifer, Melissa and all the fun times we had like carving pumpkins and lots of BBQ's. I will forever cherish the times we traveled and the fun hair shows. I loved your sense of humor. You always made me laugh. I am heartbroken you have passed. Just chatting with you a few days before your passing. You have always remained a dear friend to me. God bless you and your amazing family. Love Always, Bonnie

I had the pleasure of meeting Dave very recently at Holladay Lions. He started taking my Zumba classes this past summer. He also joined us in weight lifting classes. So many at Holiday Lions have expressed their sadness of his passing. Thank you Dave for joining us and letting us get to know you! We will miss you!

Scott, Jennifer & Melissa. I'm so sorry to hear about your dad's passing. David was the closest thing to father I ever had and you three were my siblings. My best memories as a kid was with your dad, he got me my first dog and took me on my first airplane ride and always gave me such wonderful Christmas and birthdays. But I want you three to know that your dad and you guys will always be in my heart and thoughts. Love Brandon

My sincere condolences to David's children and family, his sister Dixie and his fiance' Kathy Halford. It was as artists, we connected immediately. David was an incredible artist and amazing sculptor, and I was able to see his work at their home and also in his studio where we worked together on landscape paintings, my specialty. David's wit and talent was so versatile and fantastic! Kathy is my very best forever friend, for over 40 years, and has helped me through good and bad times, just like she did for David. By his side for ten years and they both loved to do things together, whether zumba or traveling. Such a classy couple! May the comfort of our Lord Jesus Christ, be with all of you at this time. Love, Marcia
