Brian, I am so so sorry for your loss! Dad's are the best and he must have been something special to raise a son as neat as you! Wish I could give you a squeeze. All our love the Word Family

- Jennifer and Terry Word

So sorry to hear of your dads passing. We had lots of great memories over the years and boating was always a blast. We want you all to know that our thoughts and prayers are with you at this time.

- Babe and Judy Mancuso.

I was so saddened to hear of the loss of your father. I will always remember the great times we had boating and just hanging out at the house. He will always live on in our hearts. May your family find peace and comfort during this difficult time.
