Spent lots of good years with Dave starting in about 1965. Rest in peace, old buddy.

- Dick Miles

Dave was a staple for Euzoa Bible Church. He was always supportive of our family in the kindest way. Especially for my youngest son Tifton, he was his Steamboat grandpa. Barb and Dave made lots of meals and hosted many sleep overs with Clinton and Tifton. They were such a great example on how to love people well. He will be misssed.■

We are so very sorry for your loss. Our deepest condolences to you all. We are so grateful that we had the opportunity to get to know Dave. He was delightful and we thoroughly enjoyed his sense of humor! He will be greatly missed. He was a true gentleman. We know that he is with Jesus and look forward to seeing him again in heaven. Lots of love to you! We are keeping you in our prayers. Psalm 147:3 Revelation 21:1-7

He was always uncle George when we were growing up. He was the cool uncle with the corvette's. He would stop by and visit, when he was on his way to the Indianapolis 500. We would where him out with horseyback rides. Always loved and cared for his family. He will be missed. Love, Terry and Nancy

I am imagining Dave running into the arms of Jesus. May you all feel those same loving arms wrapped around you as you grieve this earthly loss. With much love and prayers for peace and comfort, LoriH

I was saddened to hear that Dave has passed. He was always one of the best of "the good guys". I remember Dave & Barb...Walt & Lynda - two IBM engineers & two sixth grade teachers and all our early adventures I remember his absolute joy as he and Barb welcomed their three beautiful daughters into the world. I can imagine his joy as his family grew up and grew larger. Kindness, joy, a family who loves & will miss you is the best legacy any person can have.

Dear Barb and Family, I pray God's love and peace as you remember Dave and all th fun times you had together. God bless you always, Debbie

- Debbie Lockard

We were so sad to hear of David's passing, and wish all of his closest family and friends peace during this time of mourning. His smile was infectious and his kindness reached so many people. I will always be thankful for the close relationship he had with my parents - John and Pat - as well as the times that he opened his Steamboat home to my family. We have many fond memories of playing games at the kitchen table or relaxing in front of the TV watching March Madness after a long day of skiing. David was such a kind and loving man, and had a heart of gold. I will miss getting the chance to hear a joke or enjoy a chat with him, but I am thankful he is at peace in heaven watching over all of his family and friends (and seeing every car race around the world). Much love and peace to his beloved family.

Dearest Bradt Family, I'm sending a gigantic hug to you all, and remembering so many wonderful memories of Mr. Bradt (and all the Bradt fam). I recently learned that Mr. Bradt passed in December, and I am so sincerely sorry. I will be thinking of you all during his Celebration of Life on Saturday, and am sending you all much love across the miles. I think the world of Mr. Bradt and your whole family, and I always will. My earliest memories are from back during my high school days with Sara. And my most recent memories are when he so generously drove me between Steamboat and Denver on many of my visits. He was so kind and fun, filled with stories and car advice. I really loved those trips. (And I learned everything I know about snow tires from Mr. Bradt!) I send my heartfelt condolences to you all, and will be keeping you all in my thoughts and prayers. With love, Kiran
