Even though we didn't see much of each other these last several years it still seems like an end to an era. We had some wonderful times while in the service in Fort Carson, and then when we lived in White City at the same time. I miss both Dave and Gail they were awesome friends.

David Peay is a wonderful man who taught me so much. He was an inspired Bishop and church leader who set an example for me and all who watched him. His family was always kind and accepting to us, who lived across the street on Sego Lily for many years. The world is a better place because of David Peay and I am grateful. Rick, Karen, Linda and Amy, I am so sorry for your loss. May you feel the Holy Spirit, even two years later. May God bless you for your Father's dedication and example to me. Ken
