What a beautiful soul he was, He really is a Youngster now.. Thank you for always being so kind, sharing a laugh and a smile, and looking after our Chandler like he was your own grandson. Many hugs to you and the family at this difficult time.

Thank you for everything you've done for me and the family. I can't think of someone more honorable or caring. Thank you for such a great influence on my life. I still have the book you gave me when I was a kid; Rich Dad Poor Dad by Robert Kiyosaki. I will always remember and live by the phrase repeated to me, "take care of # 1."

Lydia and Family, i am sorry to hear of David's passing. He was such an extraordinary person. He gave his best in whatever he was doing. He enjoyed life and LOVED his family. "Eternal rest, grant unto him O Lord. and let perpetual light shine upon him. May he rest in peace. Amen. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen." And "I mean that"

I loved Dave. He was a great person with such a big heart♥ When I seen him at work in Salt Lake City, Utah, always greeted me with a hug and smile. You'll be missed. I just learned of Dave's death. I'm sure you miss him dearly. I am so grateful for the many Sundays the two of you would drop me off at my parents farm as I was teaching myself to play organ at the church. Your kindness certainly assisted me in seeking God and becoming a religious. I will remember you in prayer. How are you doing? When I am on my home visit, I attend some of the weekday Masses at St John the Baptist. I go when I have access to a car. I have managed to get to Logan. Several of the retired professors have died in the past few months. They were pillars of the parish. I have known them for eighteen + years. May God enfold all these people into his loving arms. God's Peace!
