

David LaRell Wilson

December 3, 1939 ~ January 30, 2022

Wilson Family , Dear Judy & Family , My heart is so sad reading about the passing of Mr wilson , David and Judy were my home teachers for many years , I loved how they would hold hands while visiting . I often told them that I want a love just like they shared . I had never seen a more in love couple than them It was very tender . David & Judy were always so kind to me , Especially after the loss of My Cory , They always made sure I was doing well and the holidays they brought me a turkey To make sure my family was taken care of . I also remember having car trouble and he sent Michael I believe to fix my car , What a wonderful man David is , So Christ like , I will always hold The Wilsons in a special place in my heart . Thank you David for all you have done for me over the years . RIP , , Love you Judy , I'm sorry I wont be able to attend the service , I have moved to southern Utah .

Dear Judy and Family: Although due to COVID we haven't seen each other in church for a while, we will miss David's thoughtful and introspective comments in Sunday School. It was very clear that he had a great love for the gospel of Jesus Christ and his family, and he will be sorely missed. He was a highly intelligent man who always had something to share in regards to the gospel or life in general, and we will miss his sense of humor and his perpetual optimism towards life despite all of the obstacles he has gone through. With love, Daniel and Ruth Anne Herbert-Voss

My Uncle David was one of the most amazing people I've ever met in my life. He was kind and generous. A long time ago he gave my mother, who is his sister, a camera lens to give to me. The only thing he asked her what's not

to tell me where it came from. When I got married on December 19th it was close to his anniversary and yet he still took the time to come to my wedding. He always treated me with respect and never looked down on me. I love him very much and I will miss him and I am just trying to focus on the back that he is in heaven with his loved ones that have gone before them.

Dear Judy and Family, We are so sorry for your loss! Uncle David was such a warm and welcoming person! Always full of kindness, helpfulness and giving! We were so thankful to be guests in your home again and again. So many years your family hosted Thanksgiving dinner and Christmas gatherings. Your home is a sanctuary of love and kindness and David’s generous spirit has always been endearing! Surely he is happy now in a place of peace and rest. We know he did so much family history, and now he must be in 7th heaven- meeting together with family from generations whose names he researched or did temple work for! What a glorious reunion for him!■■■■ May God bless you in theses trying months and years without him- as you miss his sweet influence. We’re praying for your peace and your tender hearts at this time! May we all find joy, hope, and consolation in our blessed Savior whose gift of eternal life will surely bring us all together again. Love you! Rebecca, Gabriel and kids
