I'm pretty sure that I was more scared of Uncle Dave than anything else but I always knew that he was just a big tease. The Tanners and Fillerups were so often together that they became part of the family. So many camping trips, and just hanging out together trips. I'll always remember the high five, low five trick, and how he always called me Lee. Thanks for the good memories. Love and prayers for you all.

So sorry for your loss, LaRue. He was an awesome man and my mom and dad absolutely LOVED him! That last trip down to Utah a couple years ago, when you and Dave took them to central Utah/Delta area, was just great, especially for Pop. They talked about that trip for weeks afterward! You and Dave were a blessing to them and to all of us. Dave will be greatly missed. Much love to you and all your family.♥■

LaRue, I just seen Dave's notice of his passing. I am so sorry to hear that. How are you doing? Was Dave ill? It was so nice to see you both at the reunion we had. I wish I could give you a hug. I will always remember you and Dave drove us up to the hills for a Christmas tree. We had chili and bread. I can't imagine both families and two trees in the one four wheeler. Send our love to your children and grandchildren. We will talk later Love you LaRue

I'm so sorry to hear of Dave's passing. He was always bigger than life in more ways than one. He was like a second dad during my teenage years and he was an example, at times a disciplinarian, but a comedian and an all-around great man. Sending prayers for your comfort during this difficult time.

Thanks for letting us tag along on Easter Egg hunts in Goblin Valley, rappelling adventures in the middle of no-where (Gold Hill?), Lagoon and Raging Waters. Also for taking good care of Grandma Hartner over the years. Uncle Dave told me that every kid needed to visit Kodachrome Basin, I took that to heart and drug my own kids around on adventures down there. I also remember stories like magic boulders scooting themselves across the desert in Death Valley as we shared ice cream at your house. Glad to see these Olan Mills photos of the cousins can be forever memorialized here for all to see :). Indubitably yours. Mark.

My sincerest condolences. Brother Fillerup was always a joy to be around and his smile, laugh and personality of good was infectious to everyone he came into contact with. I'm especially fond of the memories of having him as a Boy Scout leader and role model. His leadership, kindness and generosity taught me invaluable lessons that helped mold me into the man I am today. Thank you Brother Fillerup, you will be greatly missed but rest easy now, your brothers in arms have the watch now.

Sorry for the loss of Dave. A few years back he took it upon himself to reintroduce me to Ross. Dave seemed like a great man, although I did not know him well. Condolences from Wade and Michelle Rushton.

We are so sorry for the loss of a wonderful friend and want the entire family to know how much we love Dave. He is Uncle Dave to our children, Bro. Fillerup to so many people, and just Dave to us. We will never forget all the wonderful trips, picnics, Germany tour together, Just plain fun times together. Funny things, sad things, scary things, caring things we shared with him and LaRue. We pray that the Spirit will comfort the whole family and that you will remember how much we love all of you. Heavenly Father blessed us with eternal friends and we will all share the fun and wonder of the next life. Love Forever, Dale, Lauren, and kids.

I was very sorry to hear that David had passed away. Thinking of him brought back fond memories of us playing together in "Clay Gully", swimming in the Jordan River and having a lot of fun generally. We were very close during our younger years in Murray. I will miss his great sense of humor. It must of been a great reunion as he and Sterling met together again to romp and play in paradise. I loved him very much.

Dearest LaRue, What fond memories we have of a great man! Our condolences to you and your family. I can't think of Dave Fillerup without remembering him letting the girls braid his hair at camp! He was such a great influence on the youth! Much love, John and Jill Davis

Dear LaRue and family, I am deeply saddened to hear Dave had pancreatic cancer. He was going to live to be a hundred or more ! Call me whenever you want. Losing a soul mate is the hardest thing I've had to face so far. Dave was a great friend and strong leader in our lives and he is greatly missed. I loved camping with him, repelling, working with him with the youth and scouting. He always volunteered for girls camp and the love between you and him was very touching and special. he confided in me one day after Simon got all of his completions for The Arrow of Light award, "Brother Day, if I have to deal with one more son of yours and have Jeanette tell me how I need to run the scouting program. I'm quitting scouting !"

I was just thinking about inviting Brother Fillerup to my wedding. He was my scout leader in the Emerald Ward many years back. I have fond memories of him and appreciated his love and encouragement.
