Dear Debbie, Very saddened by your and your family's loss. What a beautiful picture of Mel!! He was a wonderful cousin, father, husband grand and great grandfather. Will remember him fondly for the rest of my days and look forward to spending more time with him after. Will always joyously recall his chuckle and sense of humor. Will be forever thankful for Dave Senior's temple sealing of my Father with my Mother! Love You Mel!

Dear Debbie and family. We were sorry to hear the sad news of cousin Mel’s passing. He was a man of bravery, strength and exemplary character. Please be assured that he inspired many who knew him. He will not be forgotten.
