Our dearest friend Bishop Mu, Having you (and your loving wife Susan) in our life, we understand what the "service others" meant, what the Savior meant when he said, "as ye have done it unto the least of these my brethren, ye have done it unto me." How to so humbly to serve Lord's children. You are the greatest example of love, understanding, patience... I know that you are one of the angels sent from heaven into our lives to help our family and so many others. You will always live in our hearts. Rest in peace and we will see you again someday!

Dear Susan and Family, I am very sorry to hear the passing of David. Sorry for your loss. David and I came over to BYU from Taiwan about the same time in the early summer of 1973. So we've known each other for a long time. Even though we haven't seen each other but still treasure those days. Hope you all can find peace and comfort in you and I know David will be in the best place where he has lots of things waiting for him to accomplish. May God bless all of you. See you when I come visit in SLC. Love, Carole Kwok 🖤🖤🖤

I am deeply saddened to hear the loss of Bishop Mu. His smile, gentle voice and love are still with us. Bishop Mu has set up a good example for all of us. He cared us, helped me and my family and many others not only with his words but with his actions and kindly heart. He acted as my father, my brother and my mentor, and always inspired me. May love and blessings be with you and your family! Shaohua

Bro. Mu was always kind to me and our family when we lived in Salt Lake and attended the Chinese ward. When I was just starting out in architecture, I remember he took interest in getting to know me more and took me out to lunch. He gave me some good advice. Thankful to have known him, his good nature and quiet confidence.

Condolences to his family. God bless you.

Dear Sue & Children: I am deeply saddened of your loss that David was gone due to IPF. David was such a nice & easy person to get along with. I treasured the time we got together. Although we were neighbor in Elk Grove only a

year while David was preaching in Sacramento, but we had such a good time hanging out & eating together. Just to let you know the obituary notice looks good, I hope all the funeral arrangement will go smoothly tomorrow. Sue, I send out my condolence to you, my heart will stayed with you. Come to visit me & your church friends here in the near future, you can stay with me at Bella Vista, I like to be sure you will be fine, take care ! .

Condenses to the Mu family. I have always be grateful for Brother Mu as the Chinese Branch president when I was a young woman. He cared about our future and inspired us to do our best both spiritual and academically. He was my mentor and showed me how it was like in construction profession. This is something that I always recall and share with someone that how awesome my branch president was. I regretted that I had not ever expressed my gratitude to him in person. Thank you Brother Mu!
