Dear Kenny, Beth, Diana and Michael, We are saddened to hear of the passing of your dear father and our sweet Uncle David. We love your parents and will miss them. They were so kind and welcoming to us when we would come to visit. We fondly remember attending the ice crean parties after conference! Your Dad was a remarkable businessman, community leader, gave faithfully as he served in the church and was a loving husband and father. His example is inspirational to us and all who knew him.. We pray you will be blessed with comfort and the peace of knowing that families are eternal. You are in our prayers. Our Love, Shayne McCook Despain and all of the Ron McCook family

I worked for Martin door back in the late 80’s. I had many conversations with David through out the years , he was always friendly and knew my name . I’ve been in the garage door business for over 40 years and own GDS-Garage Door Service . I always try to treat my customers the way David taught me so long ago . Very sorry for your loss ,

I sold my business to my son Roger Morgan back in about 2006 while serving three missions for the Church of Jesus Christ of Latter-Day Saints. I offer my condolence to the family, David was a great man, a great business man and a faithful member of the church. Lynn Morgan of Burley, Idaho

I'm so sorry for your loss. When I was at your home in the 1970's with Beth, he (and your mom) were always such kind and refined people. I know he and your mom are together again. What a blessing it is to know that life and family are eternal! To Beth and Ken (whom I know) and the rest of your family, my thoughts are prayers are with you. Love, Karen

We sure loved Dave. He gave us opportunities we might never have had. We have also loved getting to know his children and consider you all friends. We had not heard of Virginia’s passing, she was truly a lovely woman. Please accept our sincere condolences and know that we will keep you in our prayers. We look forward to seeing some of you soon.

I'll never forget the ice cream parties and epic hide-and-seek games we played throughout the house. I also have many great memories of the Martin Door holiday parties. I'm glad he built that business because it blessed our family and made it the most epic place to play games during the evening when no one was there. Rest in peace, Uncle Dave O!

Bob and Rebecca have known David and Virginia for almost 50 and 45 years, respectively. They were good friends and wonderful, inspirational Church leaders. Bob served on a High Council under Pres. Martin for many years. Dave's leadership style was always thoughtful and inspired by the Spirit. Many incredible things were accomplished in the Salt Lake Stake under Dave's leadership. He also sold us our first garage door, which worked wonderfully. RIP.

I’m sorry I missed this, I was just told today of David’s passing. I worked at Martin Door in the 80s and early 90s. David and his family built a great company and it was a blessing in my life to work there and to know David personally. He’s a great man!
