Cristi, we are so sorry to hear about your sweetheart's passing. So very unfortunate and unexpected. No one can know what you both have gone thru. The Lord will make things right. Please know our hearts go out to you during your time of grief. We hope we may see you sometime this summer at our cabin.

Cristi, that was a lovely obituary and very touching knowing our situations. I know the depth that you loved that man because you showed it every time you were together. I seen it and others seen it as well. He is a lucky man to have a wife like you to stand by his side through thick and thin and to fight for him. You are an amazing and strong woman and I wish you the very best in all you do and in all that you face. All my love, Melissa.
