I hope you are skipping, running and jumping into the after life with all the vigor that was stolen from you the last few years. You are a Champion of men in every aspect of life and I am going to miss you. May the Lords best blessings be poured upon your family at this time of departure. So sad to hear of Dave's passing. We are thankful for knowing Dave and his getting us involved in his love of travel. Still hold best memories of our trip to China. We were hesitant about going but he convinced us "saying it's a trip of a lifetime" which it was. Rest in peace Dave thank you for all the travel memories

I am deeply saddened by the passing of Mr. Peterson. From the first time he visited our office, we all remember his kindness, his warm smile, and the way he made everyone feel valued. Though he is no longer with us physically, we know he is at peace in a better place. He will be greatly missed, and his legacy of generosity and compassion will continue to guide us as we follow his example in serving others and making a positive difference. May God comfort his family during this time.

I am so deeply sorry for your loss. Your husband/father was more than just my CPA—he made a real difference in my life and in my children's lives. He was such a good man: patient, helpful, and always willing to guide us through things with kindness. Please know how much he meant to me and my family. His integrity, generosity, and the way he genuinely cared for people will never be forgotten. We are grateful to have known him, and we are holding all of you in our hearts during this difficult time.

I think first met Dave over twenty years ago at a PrimeGlobal (our CPA firm Associatioin) meeting. Over the years we were not just peers sharing ideas and best practices in our respective CPA firms, we became friends. We had long conversations about business, but more importantly we had long conversations about family and faith. He always asked about my family and my firm. I had the pleasure of seeing Dave several time a year at meetings around the country and we always went out of our way to make sure to share a ride to the airport together so we could spend additional time together. Dave was my friend and mentor and I will miss him dearly. To Dave’s family – Thank you for sharing him with his fellow CPA friends in PrimeGlobal, we all learned so much from him and will forever cherish his memory. With my deepest condolences, John Garvey

I didn't get to know David very well, but the times I did spend with him made me want to be a better person because I saw what a faithful and stellar man he was, just by getting to know what he valued most in life, and how he contributed to so many lives. My sincere condolences to you all. With love, LaVon

David is a true brother to me , for he taught me the gospel. At first, I was quite negative, but with a smile he gently said, "Hey, I happen to believe this, so are you going to listen or not?". I thought I had better listen. I was really blessed, for he taught me very clearly, giving one piece of information after another, as though a jigsaw picture was being created. Thank you, David, for knowing, loving, and sharing the gospel so beautifully for me; you were a great missionary and I suspect you will be kept busy in the spirit world. My husband and I send our love and deep condolences to Kathy and your sweet family. 'Til we meet again...

Correction. Dave was a huge part of helping me build my company R&Aquariums and he gave me an education in business. He was my CPA for 38 years. He was a great friend and I will miss him deeply. He helped me through some hard times and for that I am grateful. God bless you.
