

David Seth Hornbeck, Jr.

Sept. 10, 1943 ~ May 22, 2021

I am saddened by news of the death of David Hornbeck, a 1969 UTS classmate. While I did not know him well, I experienced first hand the kindness and gentleness spoken of in the obituary. In addition, I married a young woman from Salt Lake City so we shared that slight geographical connection also. My sincere condolences to David's family and all those who knew and worked with him. We are blessed to have known him.

Those who worked with David recall him as a very knowledgeable and productive colleague. He will surely also be remembered as one whose manner was unfailingly considered and considerate.

Dearest Alice, My prayers and love go out to you and Claire. We've not kept in touch, but you and David have always been in my heart. Blessings that he is now at peace! Love and condolences, Kay ■
