We are saddened to hear of your loss, may the Lord bless you with comfort and peace as you remember with fondness all of the wonderful moments you you shared together. We are grateful for all he did to help others and make those he came in contact feel loved. Norm and Janice Grimnes

Steve was one of a kind. I loved his sarcasm, combined with his genius business mind. He could size up an opportunity, and perhaps a person, quickly, and he was very gracious with his knowledge. He will be missed.
