April 23, 1961 ~ May 18, 2024

Sweet "Snicker", my condolences on the loss of your husband and friend. He sounds like he was a wonderful man, a good husband, father, and grandfather. I pray that your heart and those of your family will find peace during this time...until you join with him again.

Sorry Todd was taken so suddenly. Even though we've known each other from elementary school, we really had a lot of fun after he got home from Finland. A great guy that will be missed!

Dear Evans Family: I am so sorry to hear of Todd's passing. I work for the Office of General Counsel for The Church of Jesus Christ of Latter-day Saints and Todd worked with me in his responsibilities as a closing officer for the Meetinghouse Facilities Department. He was a dedicated, careful, and thorough closing officer and it was a delight to work with him. Please accept my condolences and wishes for comfort at this difficult time.

Dear Maren and Evans family: All of us that worked with Todd, at Backman Title Services cherish the years working with and rubbing shoulders with him. He was a happy, bright, gifted title man, that could examine any real property with skill. He was hard-working, extraordinary productive and desired to help solve voluntary and involuntary real property encumbrances, for our escrow officers, real estate agents and loan officer clients and customers. Even more, he was kind, courteous and a friend to all. We grew to love both you and Todd and rejoiced, with you when you were blessed with children (we will never forget your miracle David). We have made a donation in Todd’s name. May our Father in Heaven bless you with the knowledge and peace that Todd has entered the gateway to eternal life and you will be with him again.

Dear Evans Family: I am so deeply sorry for your loss. I have only had the honor of knowing and working with Todd for a few years now. Todd was always a voice I wanted to hear on the phone, and I enjoyed our conversations immensely. While what we work on is so important he always brought a human side and a warm sense of humor to our jobs. His chuckles and laughter will live on in all our memories for the rest of our lives. He was such a good person. I cannot imagine the hole his passing leaves in your family. He spoke of you all often and he loves you all so much. Thank you for sharing him with us. Please accept my deepest condolences and wishes for comfort at this most difficult time.
