Some of my best memories will be the family Christmas parties and then the summer family get togethers. Uncle Dave was always happy to see everyone. Thank you for letting me perform the temple work for some of the family names you researched. Until we meet again.

Uncle Dave is my hero when it comes to family history! He was truly an example of working beyond the veil. His contagious smile and welcoming arms will be missed by many, including me! I can only imagine the reunion he has had with Patti, Margie, his parents, and Dad!
