

David W. Keller

January 11, 1950 ~ August 7, 2021

My condolences to Dave's family. Although I only knew him for a couple months, he always impressed me with his humorous wit and will be missed! Fun memories are his cool suspenders he always wore, fun pranks in the office on co-workers and how he spoke what he thought...no sugar coating.

I am so sorry for your loss, Dave is and was a very wonderful man to know, he will be greatly missed.

- Jeff fors

I found this site in a search for dav. I lost contact with him about 10 years ago. I am so sorry to that he is gone. I am too late. My condolences to mary and family. We served together in the USAF.
