I am so sorry for your loss! Davis was the sweetest purest soul! I was one of the teachers in Mrs Robins room at Kauri Sue and I had the honor of teaching Davis. He was such a ray of sunshine! His smile and bright eyes always lit up the room! I loved how he would always participate in our class. He always made us smile! My heart is with your family at this time of loss. May god be with you all.

Though I did not have the privilege of personally knowing Davis, I am a friend of his grandmother, Pam Roylance. She has told me about Davis and what a special young man he was! I would like to offer my heartfelt condolences to the Turner family. I know that there are no words that can take away the sorrow and sadness but want you to know that your family is in my thoughts and prayers. - Daina Clark

Jarom and Tina, I owe much of my abilities for sympathy and empathy to my time growing up with Davis and Ashlyn. They taught me how to love people no matter who they are or what they look like on the outside, and I learned from them that appearances matter nothing compared to the soul. Even though I wasn't around them for the last few years of their life, the impact they left on me from our time spent together as youth will stay with me for the rest of my life and beyond. Until we meet again, Davis. - Paul

I was blessed to work with Ashlyn and Davis in Beau's class. I loved all of the kids I worked with, but there are a few that have touched my heart deeper. You have two of those wonderful souls. Thank you for sharing them with me. I am in awe of your families strength.

Davis, you are the Ultimate Fighting Champion in our eyes! What you have battled through with grace, love, joy, and conviction has definitely been so inspirational and courageous. Your amazing testimony, shared through song and word, including an unabashed AMEN!, has forever melted and softened our hearts. We hope to be half as true as you! We have been forever blessed to have known you and we can't wait to meet up with you again to hear you shout AMEN!!! With all our love.

Tina and Jarom, It is heartbreaking to read of Davis's passing. I'm sure Ashlynn was waiting for him with open arms. I always enjoyed my time with Davis whether it was having conversation, helping him eat, walking down the hall or just sitting with him. He always radiates joy and happiness. I'm sorry you have to endure this awful pain. Please know my prayers are with your family. Davis will always hold a special place in my heart.
