

Dean Stanton Hamilton

March 10, 1948 ~ September 14, 2024

Becky, we are so sorry for your loss. We loved getting to know and working with you two in the Salt Lake Temple and occasionally running into you at the ranch. Dean is a giant of a man and will be sorely missed. May the Lord's comfort and choicest blessings be with you and your family. Love, Paul & Gail

What an amazing man it was such an honor to know him and and true blessing to have as a friend he truly cared about others and had such an amazing attitude always made me smile my life is better because of brother Hamilton I will miss you my friend brother rooney

Unfortunately, I've only known Dean for about the last four years. What an incredible man and a great inspiration! I did always enjoy discussing western pioneer history with him. He was very knowledgeable in church history, and the scriptures. I believe Dean was a big believer and listening to the still small voice and felt that insight and miracles were there for the taking. We simply needed to ask for them in prayer. I truly enjoyed every minute. I spent with the man and will deeply miss him. He was a great builder with wood, steel, and men. Rest in peace, brother.

It's hard to find the words to ecpress how much "Bishop Hamilton" and later, our dear friend "Dean" has meant to me and our family. He was the neighbor and Bishop who welcomed us into our neighborhood and ward when we first moved into our home in 2006. He was so friendly, kind and caring. I remember thinking we had hit the jackpot by moving into a Ward with such an incredible leader! And since my own father was thousands of miles away, Bishop Hamilton was like a second Dad, or dear Uncle to me. He always went out of his way to check in with me, Lee and the boys. We were also blessed to have him as our Home Teacher for many years. He brought our family countless treats and thoughtful gifts, especially for Christmas. He not only taught gospel principles, he lived them. He served others selflessly. I greatly looked up to his example and guidance. I will always remember him driving by

our home and if I was outside, stopping to pull over and talk. This happened every few months--even in the winter! His first words were always "How's Lee?" Then, he always asked about our boys. He didn't just ask to be polite; he genuinely cared about them. He would end our truck-side chats with words of kindness and encouragement. Above all, Dean was a true friend to me. He was a follower of Christ and someone who I looked up to, admired, and respected. I am so grateful our paths crossed. I will miss him dearly.
