Tracy we are sending you are deepest condolences. So sorry for the loss of your loving sweetheart. She was one amazing lady. I loved her and I wished that we would of gone to lunch like we said we would do after Kurtis passed. I did get to spend some time with her in your home about 4+ years ago. She was so kind to me and so loving towards my family that she had never met that I know of and it wouldn't of mattered because she would of loved them anyway. I could tell that Deana loved everyone and especially all of her furry pets. Deana you will be so greatly missed by all of us. Sending hugs to you & the kids.
