July 18, 1939 ~ March 8, 2024

DeAnn was an amazing women who touched the lives of countless people. My deepest condolences to the Williams family. May her kindness, love, positiveness and spirit live on. I will miss my annual b-day card; she never missed the day.

My deepest sympathy to all of DeAnn's family. I met DeAnn when she joined our Tai Chi class a few years ago. I liked her immediately. What a sweet, caring friend she became to all of the class. She was determined to do all of the exercises and did a great job. I never heard her complain about anything. She had a positive attitude and was always so kind. I was especially impressed with the kind, loving care she got from her husband. It touched my heart to see how he treated his sweet wife. DeAnn will be missed. I feel blessed to have known her in this life. My thoughts and prayers are with her family.

To Gad and family, I was so sorry to hear our sweet DeAnn had passed and offer you my deepest heartfelt sympathy during this difficult time. We shared a lot of good memories with the Clinger family, and especially with DeAnn. I was not able to attend the funeral in person but did watch it on Zoom. My thoughts and love are with you. Kay S.
