What a delightful soul and friend DeAnna was to us. Her personality was contagious, and she was very close to her Savior. I have to smile when I think of how fast she would drive her dad's 1959 Ford Skyliner over the canal bump West of Lewiston! I guess we all did a few things that our parents would consider on the 'edge'. I can only imagine all the especially kind words that will be expressed during her funeral service. Let me reiterate, What a delightful soul she was! Jerry and Judy Woodland

So sorry to hear of Deanna's passing. We last spoke at our class reunion last September and it was so nice to see her there. She was a good friend from our childhood years in elementary school in Lewiston. My sincere wishes for comfort to all the family at this tender time.

I'm so sorry to hear of my Aunt's passing. Even more saddened I found another family member but I'm too late. I am the daughter of Terry Hodges. I wish I knew my family. God bless Deanna's loved ones. She's with Jesus, her own father and mother and my Daddy now. Jennifer/Hilton-Head Island SC
