I had the honor of getting to know your mom as a neighbor & friend in her previous West Jordan neighborhood. She was always such a bright, sweet light for me, even as she went through some of her challenges. I admired her energy & style. We missed her after your family moved, but were glad that you all could live closer to other family members. So sorry for your tender loss!♥■

We knew Debbie as a teenager. She was my go to babysitter. My children adored her! I knew when I left them in her care that they would be well taken care of. Debbie became an important part of our family. Debbie came into our life when I needed a lifesaver, she was it! We will always love Debbie for the sweetheart that she is.

Ever since I met this incredible woman, she has been an angel in my life. I am so thankful for the sweet experiences I have had with this beautiful angel. I know that she has already learned so much as she passed to the other side and that she will be watching over her girls! Know my heart and prayers are with you all, that you will feel of her love and our Savior's peace.
