I can't believe you're gone. Somehow, all of the good memories are all that's left. I'm thankful for that, and I'm going to miss you so much.

My prayers are with all of those who had the pleasure of knowing this great woman. We are saddened by her departure from this earth. I miss my cousin, but I am happy she is watching over us. This obituary is the perfect tribute to a fantastic human. God Bless you Debbie. I love you my cousin, my friend.
