In Loving Memory of Bailey Quinn Mallard

December 19, 2012 – June 27, 2025

We are devastated beyond words to announce that our beautiful girl, sister, granddaughter, and friend Bailey Mallard passed away far too soon on June 27, 2025 at the age of 12.

Bailey was preparing for 7th grade at Draper Park Middle School, attended Oak Hollow Elementary prior. Bailey tried everything, most recently she was part of Chargers Basketball, DPMS Mountain Biking Team, Studio Kids Theatre and the WFFM Swim Team. She was known for her unlimited kindness and desire to make everyone around her happy and loved.

Bailey is survived by her loving parents Katie and Simon, her older brother Carter, and younger twin siblings Logan and Lexi; her grandparents Angela and Cheryl, her great grandmother Elsie and many uncles, aunts and cousins.

Bailey was thoughtful, creative, adventurous, beautiful, funny and so much fun. She had the best facial expressions, full of energy and love. She shared so much joy, and fun with everyone that came into her world. We will forever love her.

A viewing will be held for close friends and family on Sunday July 6, 2025 from 6:00-8:00 pm at Larkin Sunset Gardens, 1950 E Dimple Dell Road, Sandy, Utah.

A memorial service of Bailey's life will be held on Monday, July 7, 2025, 2:00pm at Larkin Sunset Gardens, Sandy. Followed by a celebration of Baileys life at Siempre, Draper. Please join us to celebrate our Bailey Boo.

Please wear pink or bright colors to reflect the sunshine she brought to so many.
