Dear Livingston Family- I am so sorry for the loss of your beautiful mother. She is such a special soul and there is. not a memory I have of her without a huge smile on her face and love in her eyes. May the Lord be with you as you celebrate her beautiful life and mourn her passing. Much love

Roger and Family, We know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their life and love. Words seem inadequate to express the sadness we feel about Debra's passing. Our thoughts are with you always, Love, Rick & Marilyn Sutter

Debbi and Roger are dear, dear friends. Margie had a special love for Debbi and always enjoyed being with her. Debbi's personality was very endearing, accepting, and loving. She truly was a joy to be with.

On my list of things I’m grateful for near the top is witnessing the great love that Roger and Debbi shared. The joy they found in the gospel, and in their children and grandchildren was so fun. And these last years, the patients, the kindness, the hope that Roger showed. so grateful for Amy and everyone who made so many sacrifices to lovingly care for Debi after her lifetime of serving and loving others. I have watched a lot of funerals, but that had to be the most beautiful ever for Debi to be able to look down and see the love she had of the savior embodied in each of her kids and grandkids. The love that your guys are showing for each other and for the Lord is so awesome thank you so much for being such a wonderful family. I’m so grateful that, I had aunt Debbi as a cheerleader to Love and encourage me and what discipleship is all about. Love you guys and what a glorious reunion it will one day be. ■■■■

Dear Livingston Family, I knew your mother at Highland High School. She was so sweet and I am sorry for your loss. I would have loved to attended her funeral, but I did listen to it on Zoom and it was so touching. She was an amazing wife, mother and grandmother. I know her legacy will live on through you, her children and grandchildren. I know Heavenly Father welcomed her home with open arms. Love, a friend from Pennsylvania.

Oh Amy and Kimi!!!!!! And ALL the rest of you….Tanner, Max…I remember you SO WELL and love you through all eternity. I am sooooo sorry you and the rest of your family have lost your angel mother and grandmother from this side of the veil. I am SO GRATEFUL I got to know her and to be her friend; that she was MY dear friend too ❤■. We had many conversations about how much we love you ALL! I am SO grateful for our wonderful Gospel! Though she is no longer right here, how wonderful that we know where she is, and I think she i's still VERY aware of you, loving you now more than ever because her capacity to love has grown. May you be comforted with your sweet memories.

- Mrs. Jill Halliday

Roger & Family Continued Blessings on you from a loving Heavenly Father filling you with strength to carry on. We wish peace to be your companion. Current thoughts of you and Debbie bring very real feelings of a bond felt from long ago in Sandy. Finding your friendly genuine smiles and cheerful greetings which we have carried for years. Always, Mike & Letha

Just learned about Debra's passing, Been many years since I crossed path with her (1968 or so), Spent some time at her house while my friend Jim FIsher was "attempting" to date her, but she never really let him!! I have many good memories of Debra, smart, just enough "sass" to be fun, while being a good friend.
