Oh Donna! Your mom is beautiful! You definitely have her eyes. We will be out of town next Tuesday. You will be in my thoughts and prayers. Try to get some rest because grief takes a lot of energy. Dayna

Gram, I miss you already! I will strive to be and hope to be a Gram just like you! You truly loved with your whole heart. I will miss your 94 calls in 30 secs, to answer and nobody be there. I will miss our chocolate covered raisin binges. I will miss our See's Butterscotch suckers together. Not sure I will miss all your Intimate Stories but I will surely laugh about them forever! Your Christmas Eve Parties, Easter Egg Dyeing Parties, The Clothes Shoot, The Carpet, Our Bathtub talks and Your Back Rubs will forever be in my heart. Love You Gram, give Papa Don a big hug for me!

Dawnlynn and family. We were sorry to hear of your grandmother's passing. I met her at Lindsey's wedding and she was so nice to us. You and your family are in our thoughts and prayers. Your grandmother will always be with you through the many memories you have of her. Love you, Ted and Renae
