

Deloris Christensen

November 6, 1932 ~ May 3, 2023

Vern and Deloris were my friends for years. Delores was a fabulous woman, a great friend and would all she could to help you. I love her and Vern. They are sorely missed. Till we meet again.

Served many years with Deloris on the Oakcrest committee. A very delightful person and a hard worker. I cherish those years that we served together and the friendship we had. I have many wonderful memories of Deloris. I send my condolences to the family.
