

Bruce Rowse Tanner

October 17, 1946 ~ September 29, 2024

Our beloved husband, father and friend, Bruce Rowse Tanner died on Sunday, September 29, 2024. He left a canyon sized hole that we'll never see the edges of. We will miss him dearly, as we know many of you will.

The outpouring of love, kindness and support from family and friends has been overwhelming, and we are incredibly moved by the words and many acts of thoughtfulness and compassion. Our love and gratitude to his health care team and family members that gently cared for him during the last few months of his life.

We will gather to celebrate him at Noon on Monday, November 4, 2024 at the Riverton 2nd Ward Chapel, 1208 West 12400 South in Riverton, Utah. A time for friends and family to gather will be prior to services beginning at 11AM.

With the deepest love from our heavy hearts,

The Tanner family
