Wow, what an awesome lady! Denece has been such an inspiration to me for so many years. Her drive in life to “keep moving “ has been a very important life lesson, one we should all follow. We will all miss her friendship, her artistic and culinary talents and birthday lunch companion to a group of us women! It’s been an honor to have had her in my life. May she find comfort and peace and now she’s back in Farmington!■ Go Utes!
