I was deeply saddened to hear about the passing of your father. May you find comfort in the cherished moments you shared together, and may his memory bring you peace. One of my happy memories is when he would see us walking our dogs and always had a treat for them.

Ida I am so sorry for your loss! Please know that he will always remain in your memory forever. Cuz Fred Davis

Ida, I'm so sorry for your loss. May all of your memories be good ones, and your mutual love live forever in your heart. We met with Fred Davis in Winchester, IN several years ago, discussing and researching Davis family history. I really enjoyed visiting with you and making the rounds of Winchester Davis sites.

- Janine Moffitt (Davis cousin)

Shauna, although we know through the plan of salvation we will our dads again, getting used to not having their earthly influence is tough. I'm glad you have such support from your family during this time of mourning. Love you to pieces.

I am very sad to hear of Denis' passing. My great friend of 40+ years, a staunch pal, a partner in tennis, a trader of jokes to pass the time and a kindred spirit. I shall miss on this earth without a doubt but am really happy to share a love of Jesus with you. Till we meet again, your good friend Gerry. My heartfelt condolences to the whole family.

There is nothing like. Daddy's love for his daughter. My heart breaks for you loss. Isaiah said Hod will comfort us as a mother comforts a child. May you experience Hos comfort in the days to come.

Sending our love and prayers from New Zealand. We have fond memories of our “Uncle Denis” as we grew up knowing him. We particularly remember our trip to stay with him in 2010 for a few weeks. He drove us across from Denver to Utah and back again and it was a road trip I don’t think either of us will ever forget. I know he was a great friend to my father over the years and will not be forgotten in our family. Love from Lisa, Stacey and the Ryder/Christensen family

- Lisa Ryder (nee Christensen)

What a beautiful funeral for Denis! I have wonderful memories of Denis. My cousin Denis was quite a bit older than I and lived far away in Hawaii. But when he would visit us he was this tall, handsome, blonde, well spoken, fun cousin who was always interested in all of us. He gave big hugs and even though I spent very little time with him throughout my life , I knew and felt the strong family ties. We knew he loved us and we loved him. He is a special, strong and valiant spirit. And his precious family's tribute to him was exquisite. Love, from Allyson Beecher Smith
