Mark and family, the memorial service for Denise today was beautiful! Memories were shared of how generous she was. I want you all to know how grateful I am to her for her generosity to me. When the pandemic hit in 2020 I was

so afraid that I would lose my business but Denise sent me a very generous gift. Because of her and a couple of small loans from the government I was able to keep doors open and the business is still thriving. I am eternally grateful to her. I will miss our long telephone conversations and how she was able to make me laugh no matter how bad of a day I was having!!

Mark, I was really sad to hear of the passing of your beautiful wife… One of my very best friends is Debi Day who was a dear friend of your wife Denise.. I know my friend Debi treasures that friendship that she had through high school and throughout their life… I know how my parents treasured your mom and dad’s friendship. Those are such blessings in our life…
