

Dennis (Denny) K Judd

December 13, 1942 ~ September 12, 2022

I was sad to see that Denny has passed away. We were good friends back in the high school days. Sending prayers to his family. He was a wonderful friend

My condolences go out to Denny's Family, what a gentle giant Denny was, he was my foreman at Garrett Freight Lines from 1666 to 1979, I so enjoyed working for and with him through the years, sorry to read of his passing, I'm sure he will be missed by many people especially his loving family.

So sorry for your loss. May the peace of God—that peace which passeth all understanding—fill your hearts and lift your spirits at this time of loss and assure you that this separation is only temporary!

Darla, I am so sorry to learn of Denny's passing. He was one of the few GOOD men I knew in the trucking industry. He always treated me with kindness. I have fond memories of Denny and you Darla. God bless, Jack Sadly there are few of us from Garrett and CF days still around. One of these days we shall meet at the big terminal in the sky! Then we shall no longer have to load and unload trucks.
