My father in law was a good man. Although I didn't spend as much time with him as I would of loved to, the time we did spend together was good. I'm glad he was able to spend Thanksgiving with our family and meet his newest additions to the Martin boys his 3 grandsons King, Elijah and Ezekiel (the twins). Yes pops Boo out numbered you with the kids. We enjoyed his company, stories of his football days and his fast moves gliding across the kitchen floor. Lol ■ You will be missed pops. Rest In Heaven and dance your shoes off with the angels. We love you.

- Christina Martin

I am sad to see my cuz/brother leave us. But God felt his mission on earth was complete. I send my love to his kids and the rest of the family

My deepest condolence to the family on the loss of this great person. Dennis has been a good friend and mentor for over 20 years. While in the Air Force, he stood as a shining example for many, and as a Chief Master Sergeant, he was in the top 1% of the Enlisted force. After retirement he continued to shine as the epitome of success, while working for Disney. He and Akiko were always kind to my family. I miss his smile and miss our lively debates about history and politics. May God bless your family during this difficult time. We will always treasure our memories of

Dennis Martin.

Surya and Family, My deepest condolences on the passing of Dennis who was a resident at Brookdale Dr. Phillips along with my Mother Marguerite who passed in Dec 2019 at the age of 97. I have forwarded the obituary to other Brookdale residents and associates who were saddened to hear the news. I am a recently retired 32 year Disney Cast Member, so we had stories to share. I will always remember him with his athletic wear and new tennis shoes keeping fit around the facility along with his dance moves. My thoughts and prayers are with all of you. Linda Dorage

My family and I send many prayers and our deepest condolences to the Martin family. We had the pleasure to meet both Dennis and Akiko while engaging in our volunteer ministry. Dennis was especially excited to learn of the wonderful future promises the Bible holds out to all of us. He particularly looked forward to a peaceful world free from pain and suffering. (Psalms 37:11; Revelations 21:3,4) We look forward to seeing Dennis again as he sees for himself the promises of the Bible coming true. Sending much love, The Dixon Family

I was very saddened to hear of Dennis' passing. I grew up in London, WV too. He and I attended elementary school together and we both graduated from DuPont High School. My sincere condolences to his loving family. I must say from all the pictures of him, he never aged at all. May God Bless you all.
