

Dennis and Joanne Darke

~

I will always be grateful that I crossed paths with Joanne. We both entered a fun "clutter contest" sponsored by the Salt Lake Tribune and were chosen as finalists together. Then we discovered that we had many things in common. We both loved reading and movies, and both weren't the best at not gathering clutter around out houses. Over the years, we enjoyed the occasional lunch together and discovered we both lived near to each other in Cottonwood Heights. I still remember many fun and humorous things that she said to me. Later on, we both worked at the Whitmore Library together. I thought she was such a fun, delightful and upbeat person. She told me how she met your Dad at the Greek Festival and how much she loved him. While she was a legal assistant, she worked with a neighbor of mine, Rand Farrer. I am so sorry for your loss. May your happy memories bring you comfort at this time of grief.

I will always remember working with Dennis at the Union Pacific Railroad. A very nice fellow, and a very competent electrician. He will be missed. My sincere condolences to his family.
