

Cathleen Rasmussen

November 24, 1963 ~ March 7, 2026

From her earliest days to her final peaceful moments, Cathy lived with fierce spirit and boundless curiosity.

Uncompromising in her independence, she shaped every chapter of her life with intention and courage.

Cherishing classic rock, photography, and the historical mysteries she loved to study, she pursued every passion with unmatched intensity.

Known for her indomitable will, she fought for what she believed in and never backed down from any challenge.

Choosing Jay as her partner, after meeting through the early days of AOL, she built a life filled with devotion and shared joy.

After marrying in 1996, she welcomed their son Michael in 2006, embracing motherhood with love, pride, and gratitude.

Nature and the outdoors brought her peace, inspiring countless photographs and cherished memories with her family.

Courage defined her six■year battle with pancreatic cancer, a fight she carried far beyond every expectation.

Even as the illness advanced, she continued learning, reading, and seeking understanding with the same fire she brought to life.

Remembered for her strength, her passions, and her unwavering love, Cathy leaves behind a legacy that will endure in every heart she touched.
