Dear Jenny and Family, I was deeply saddened to learn of the passing of Dennis. Though I did not have the privilege of knowing him personally, I have come to know and respect Jenny through our work together at WM. It's clear that the love and bond you shared was profound, and my heart goes out to you during this incredibly difficult time. While words can never fully convey the depth of sympathy I feel, please know that you are in my thoughts. May you find some comfort in the love and support of those around you, and in the cherished memories you hold close. Sending heartfelt condolences and wishing you strength and peace in the days ahead. Warmly, Frank Santiago
