My sincere condolences to the White family. Dennis was a supper neighbor while he was living in Sandy. He was . Very down to earth and friendly. I always loved his passion to mow his lawn and taking care of his yard and rose garden!

I was very sad to hear about the passing of my cousin Dennis. He was a great cousin and a lot of fun. I have so many memories of him when they were young kids and we would come from California to visit. He is a super individual and I can’t be more proud than to call him, my cousin. I know he’s in a better place and free of his pain. Ana Lee Wade Herriman Utah

My most cherished memories of Dennis and his family was when I was around 13yrs old visiting them from California his house had the coolest basement!!!! A kids dream play ground.....he had not one but 2 pinball machines, a pool table and video game systems from atrai, Nintendo, super Nintendo along with sodas and late night movies with Mike and Gregory..... he was always very kind and giving a peaceful well traveled and intelligent uncle. Every time we would visit it was always a treat to visit uncle Dennis and aunt Cheri. Til we meet again thank you for all the good memories i always had when visiting your beautiful home. Love you all. Big hug toyou cheri Lynn from me!! Eric Voyce

My family would come from California and visit my Uncle Tom and Aunt Jesse a lot throughout our lives. Since Dennis and I were the same age, we were together constantly during our visit and there are so many memories to share with that visit.. we would always stay and sleep in the basement and that is where all the havoc ensued. It was a crazy time! I will miss Dennis, but I have the greatest memories of him and The Whites in Midvale, UT. Rest in peace, cousin Dennis.
