

Dermont LaMar West

June 5, 1936 ~ January 9, 2026

Grandpa, I will miss you so much. I will always cherish our camping and fishing trips, riding in the top of the camper, me sitting on your lap while I "drove" the riding lawnmower, and our epic croquet games. Me and you shared some hilarious jokes over the years. Here's one last campers salute grandpa. I will miss you. I love you

Just finding this out. So sorry for your loss. Dermont was a great guy. Randy and my boys went on a few fun deer hunting trips with him and my Dad, LeRoy West. Your family is in our prayers.
