

Diana Verlene Colette Litster

July 23, 1950 ~ Nov. 25, 2020

I am so sorry for your loss. She was a very kind and beautiful woman.

- Cindy Cloward

Our hearts are filled with gratitude for the privilege we had to know Diana. She was the best influence for Debbie Ann and me as pre teens and teens. I remember Trick or Treating with her mother and the gang when one lady said we were too old so she would only give candy to the "little one" who was her mom! I have the best memories of the entire family and the love that encircled us. Diana is a beautiful, kind, loving, vibrant, joyful soul who has taught us all to seek our savior for your In him we find peace and joy. My condolences to you all as we all feel her loss.

Diana and I were in the same home room our Freshman year of high school. Connected on Facebook early on, about 10 years ago. Got to chat and catch up. So sorry to hear of her passing. Condolences to all of her family.

Words cannot express how saddened we are by the passing of Diana. We will miss seeing her very much. We are so glad and grateful she got to meet both our sweet new baby, Amaia and her darling new grandson, Detmer. While I never had the privilege of meeting your mother, I can tell she is a wonderful woman by the qualities I see in her daughter Colette who I have been fortunate to work with closely over the last few years. So very sorry for your loss, it is still hard to believe that she is gone. Di was a joy to work with, shared so much of herself and always willing to do what was needed to make things easier. We would talk and share family stories she had so much pride in her family that always brought a smile to her face when she spoke of you. She will be missed, such a gentle soul. My prayers are with your family at this time of sadness.

To Tab and Perry, We were very sorry to read of the passing of Diana. Because your parents were our friends and neighbors, we occasionally rubbed shoulders with Diana and quickly understood what a happy, loving person she is. Please know that we're thinking of you, praying for you, and grateful for the promises of being together again because of the Savior's Atonement. We miss your parents and think of them whenever we drive past their house or look at the beautiful large crocheted doily your dear mother made for us. Sending our love and sympathy to you.
