Although our hearts are heavy and the pain of losing you is something we all carry, I thank God every day for the gift of you. You were such a special young man someone I, as your elder, truly looked up to. I’ll start this off with a prayer. Dear heavenly father, I lift The Nichols family up to you today. I pray that you shed your light, your love onto them and comfort them in their times of mourning. Remind them that although they may feel lost in this all that you are near. Let your words and spirit bring comfort to their souls. In Jesus name, Amen. Diante was a great friend to me in High School and Middle School. He was so honest, kind and funny. He always found a way to make everyone laugh and feel included. He had a light and brought it with him everywhere he went.

I hadn’t talked to him a couple years after graduating high school but I’ll always remember when he would make me laugh in times when I felt so down. Diante was special and very loved. I am so happy I got to know him. My condolences to you all in this time of grieving and mourning. Sending love and prayers at this time.. -Kiara

I was very saddened just now hearing of Diante's passing. I had the pleasure of coaching both Diante and Duane in Brighton baseball back in 2015. They were the perfect kids to have on your team - always there for both practices and games, never complaining about where they were in the order or in the field. And man was he fast! Easy call as a coach to put him in center field! I then had the pleasure of selecting him for my all star team. I remember Diante as an unassuming, quiet kid that you could just tell had a great heart - not full of himself. I always remember Angelica shouting "I see you!" whenever her boys came up to the plate or made a play in the field. Great memories, all in a few months of playing together. Rest in peace young man.

Diante was such a special person who always pushed me to be better. He never held anything against me when he could’ve. He always put his family first and i’ve always loved that about him. Diante cared about me when i didn’t care about myself. he is forever one of a kind and i’ll never forget that smile. i’m sending love and prayers to the nichols family. we may have lost a good hearted, amazing, selfless person but we’ll forever have him and his memories in our hearts.
