I have fond memories of Troy. I have interacted with him many times: in the foyer at church, sitting next to him in priesthood opening exercises, doing service together at the Temple grounds, and other activities. I loved his sense of humor and his willingness to kid around with me. He was always good-natured and could always make me laugh. I'll miss you Troy!

We have tender memories of Troy. He spent many hours helping us at our home and was always so thoughtful and kind. Troy was accepting of all and nonjudgmental, and always so willing to be a friend. We send our love and prayers to the Luke family. We pray you feel comforted at this time. We feel certain Troy was met with a warm embrace by the Savior, and was welcomed home with great love. He was a brave boy in his life. He will not be

forgotten.

I was around Troy so many times and everytime I had nothing but admiration. He knew how to laugh and make you laugh. He was flamboyant, kind, attentive, and thoughtful. Everytime it was something new with him. He knew how to entertain but also comfort others. He was a jester but also a light. His smile light up a room. We truely lost a golden soul.
