Don was an integral part of my childhood alongside Maurine. They have a special way of making you feel like family, and I always enjoyed spending time with them. Time passes too quickly and I'm so sorry for your loss of this great man. My condolences to the family.

Jared, I'm so sorry to hear of your loss. I lost my father about a year ago, and I know what a hole that can leave. I trust that you are carrying on his memory and the things you learned from him. I know I frequently hear my own voice and think my dad is speaking just because I say so many things he used to say. I know he was proud of you because I know what a remarkable person you are. Please know that I will be thinking of you and your family in this difficult time.

Today, a temple worker told us of a Brother Reynolds, who had died. I told her of my 1st cousin who was an ordinance worker, then later checked online to find this obituary. I have passed the obituary on to my extended family. I remember my wife, Jennifer, and I being in Don and Maureen's home with all the pictures of the children. What a blessing. May the Comforter be with the family at this time of separation, knowing that future reunions will be joyful. Don and Jennifer Reynolds

My heart goes out to you at this time. Don was an incredible human being. He was always kind, helpful. He was good to me and to my children. A real "salt of the earth man". I admired and respected him. I looked up to him as he always set a good example of Christ like love and service for his fellow man. He was always working on something or most often helping others with projects they couldn't do alone. Don loved the Lord our Savior Jesus Christ. He loved the gospel. His was a light upon a hill. I will miss seeing him at the temple and going out to grab a bite for dinner with Maurine. He came to our rescue during a very challenging time of our lives. We will always remember him fondly and we will miss him. We do believe that we will see him again one day. Until then he has a place in our hearts. Our dear true friend, Mr. Don Reynolds. Rest in peace. Maurine our prayers are with you always. We love and care for you very much. You are family to us. Please let us know if there is anything that you need or anything that we could do for you. Sincerely with our love, The Kiger/Velasquez family: Kay, Margie, Ana and Natasha.

Just thinking of Don and was saddened to discover his obituary. In the short time we lived across from the Reynolds, many years ago, Don became one of those people that soon became a good friend and a person that had a direct influence in the direction of our lives. We are so sorry for your loss. He was one of the great people in this world and will be missed.
