Love you Sharon! Going to miss my cousin/brother We grew up as kids very close as cousins. As we grew up and went our separate ways we didn’t see too much of each other until we found out we were brother and sister and everything got better. He has a slug of siblings that are here for you if you need us. Stay close and know Don is in a good place. We will see him soon❤■As we are all in the age bracket we could go anytime. It was just Don’s turn■
