Dear Sharon, I am so sorry to read about Don. You two have been an amazing couple and example. I have no doubt your good friend Deb was part of the welcoming committee. I know how much she loved you both.

Sharon we're sorry to learn of Don's passing. We're certain he lived a full and happy life. He always seemed so happy and genuine. It was an honor to know him.

My deepest support in all our loss. A life well lived. One of the most genuine and honest men whose strength was given to others and a rare example of the best of humanity..His example quietly taught me strength and reminded me to treat others with respect in the most trying situations.

So much enjoyed our over the Hill gang ,dirty dozen and poofs traveling group..over the years. You and Don brought so much love and camaraderie in the group. With Don being the lead scout on so many of our ATV outings was always the best. He will be sorely missed by anyone he ever touched in life.! RIP Mr. Don. Until we meet again.

Sharon and family. My heart goes out to you at the loss of Don. I met Don when I was about age 16 and over the years via one of my relatives, we got to know each other and began a lasting friendship. Don was the "real deal" and humanity would be much better off if there were more like him.

Don and I have been friends since 1952, shared days together in the Navy and played softball with one another. Although separated by miles, we often played catch up through weekly phone conversations until his declining health when then we would check on Sharon. Don will be greatly missed by all who knew him and his family will forever be in our thoughts and prayers. Charles and Pansy Greer Swannanoa, NC

Sharon, we're sorry to here of Don's passing. Don is in some of my earliest memories and was a big influence on me in my teenage years. We pray for the Lord's blessings and comfort to be with you and your family in this time of sorrow, and think of the reunion on the other side with his loved ones there.

Sharon, I was so sorry to hear of Don's passing and your struggles with health. I enjoyed our winter in Mesquite so much - what a fun time our dinners together were enjoyed so much. The rides with the "over the Hill Gang were so memorable. I wanted to be there for his funeral so sorry I did not make it. Think of you so often. With sympathy and love, Patsy Vigliaturo

Oh Sharon, I just learned about Bon passing back in November. I’m so glad you were able to have such a happy life together. You truly remain sweethearts. May you be surrounded by his love and find the tender mercies as you continue on. Love you, Linda
