

Don W. Pihl

September 14, 1929 ~ August 12, 2021

Please, accept my condolences for the lose of your father and husband. I met him once, he was a gracious host. So interesting with the many places he had traveled, his military service, and his many businesses. A real lose for the family. May God give all of you the peace and comfort he has promised us at times like these.

My sincerest condolences to my aunt Joyce and all the loving family that surrounds you. May you find comfort and peace within your loss soon.

We send our love and tender thoughts at this difficult time. We loved Don and remember him fondly!

My condolences to my dear Aunt Joyce and my sweet cousins. I so thankful for Don as he was such a wonderful friend to my dad, Wendell. They loved talking about their military days together always over in a quiet corner while us women went on with our activities in the chaotic kitchen. He will be missed.

It is with a sad heart that we say goodbye for now to Don Pihl. He married, Lenora Joyce Manning, my sister, and we enjoyed celebrating many events throughout our lives together with our children. Never heard a cross word from him and he was always steady as you go which I am sure was good for a jet pilot! He lived a very full and interesting life. So for now, Hasta la vista Don! We are so sorry to hear of the passing of Don. He was a joy to work with in the Temple. We will miss him but only for a short time. Our prayers are with you. Michael and Chris

Pihl Family--our deepest condolences upon Don's passing. Had we known, we would have attended a viewing or commemoration activity. He and the family were wonderful contributors to the Yale neighborhood and ward. Thank you for sharing him with all of us.

Tom Wilson, I worked with Don when he was the building manager of the University Club building in Salt Lake. I was his leasing manager. A nicer man never existed with an incredible family. One of the best experiences of my life! Blessings to all.
