

Dona Gay Childs

March 3, 1943 ~ March 14, 2022

Aunt Dona was my favorite aunt. She had the most amazing smile and big heart. I loved it when her and Uncle Bob and all my cousins would come and visit. She will be missed on this earth by so many. But her presence has left a constant reminder of what true compassion and unconditional love means. Love, Dolly

We were saddened to hear about your loss for your mother. Losing a mother of special and most difficult, I know because I've been there and done that. May the Lord's blessings be upon you and your family and this heroine experience. May the Lord bless and comfort each of you. We hope and pray.

My deepest condolences to the while family. I have SO many fond memories growing up next door to your family. I always envied the large family you have and I always felt like an adopted kid. Donna was such a sweet , kind soft hearted lady. She always made everyone feel loved and welcomed. We will all remember her and carry those special memories in our hearts forever. Much love to you all.

Dona was a kind and beautiful woman! I had the privilege to spend some time with her and Kaylene and I am very grateful for that. My prayers are with the family at this time. God bless

From my childhood until present, I remember your smile would light up your eyes. You shared that smile to us all, and I have loved that about you, my Dear Aunt Dona.
